

# IELTS Speaking: *Advanced*

“Here’s how you can face the IELTS Speaking exam with confidence”

## IELTS Speaking: *Advanced*

The thought of facing an English speaking exam can be quite frightening for exam candidates. Being 'put on the spot' and having your speaking skills formally assessed by experts is not something that happens often and many students worry that they won't perform at their best on the big day. You may worry about speaking too much or not enough, not having anything to say about a question and making mistakes. That's exactly why we've developed IELTS Speaking: *Advanced*.

**IELTS Speaking: *Advanced*** is a 10-unit course which covers everything you will need to face the examiner with total confidence. The self-study course is packed with highly-effective speaking strategies, grammar and vocabulary exercises and lots of practice tests to help you prepare thoroughly for the exam.

**IELTS Speaking: *Advanced*** is a highly interactive online course that will prepare you thoroughly for the IELTS Speaking exam. The 10-Unit course contains:

- easy-to-remember strategies to ensure you won't dry up in the exam.
- recordings of advanced non-native speakers offering an achievable model to aim for.
- use of the IELTS assessment criteria to evaluate the speaker's performance, giving you a clear understanding of the exam requirements.
- error correction activities to help you avoid the language mistakes made at advanced level.

## PLUS!

FREE 'Functions Toolkit': Interactive quizzes on key functional language such as 'speculating', 'using fillers', 'modifying levels of agreement' etc.

FREE account to the complete 'Splendid Expressions': Our popular 3-step approach to learning colloquial vocabulary.
